

IADC WELL SHARP

(Drilling Operations - Driller Course)

This course is conducted in English / Thai

Course Overview :

IADC is proud to introduce WellSharp – a new revolutionary well control training and assessment program. The result of a collaborative industry effort, the new WellSharp program emphasizes rigorous training for every person with well control responsibilities, whether office- or rig-based.

Who should attend :

- Driller – addresses practical well control skills, with a focus on detecting a kick and shutting in the well, for assistant drillers and drillers.
- Supervisor – designed for toolpushers, superintendents, drilling foremen, and company men and focused on well kill procedures.

Registration Fee : 69,000 Baht

This fee does not include 7% VAT, dinner, accommodation and transportation but include two coffee breaks and a lunch during the session day, instruction and instructional materials.
