

IWCF Well Intervention (Level 3&4)

This course is conducted in English / Thai

Course Overview :

This course syllabus aims to meet the recommendations for enhancements to well control training, examination and certification produced by the International Association of Oil and Gas Producers (OGP) in report number 476 in October 2012.

Who should attend :

We recommend personnel in the following positions should attend the appropriate level of training and assessment:

- ✓ Equipment Operator (Wireline, Coiled Tubing, Snubbing).
- ✓ Single Discipline Supervisor/Engineer (on successful completion of Level 3 should progress to Level 4).
- ✓ Well Services Supervisor.
- ✓ Completion Supervisor/Service Leader

Registration Fee : 72,900 Baht

This fee does not include 7% VAT, dinner, accommodation and transportation but include two coffee breaks and a lunch during the session day, instruction and instructional materials.
